

NO ENROLLED BILL REPORT REQUIRED

0554

(No. 1 January 1998)

The Governor's Office/Resources Agency will sometimes ask the department to prepare an enrolled bill report on legislation our department did not formally analyze. A No Enrolled Bill Report Required form may be appropriate in some instances when the department has no recommendation to make, the bill as enrolled is no longer within the scope of responsibility or programs of the department, or the bill enacts no program or fiscal changes to existing department functions. **See *Sample No Enrolled Bill Report Required* ([see exhibit](#)).**
